UNITED STATES DEPARTMENT OF AGRICULTURE
PRODUCTION AND MARKETING ADMINISTRATION
DAIRY BRANCH

To: All Market Administrators

From: H. L. Forest, Assistant Director

Subject: Changes in October Deliveries, Sales
and prices

Attached is a summary of reports from all Federal order markets covering producer deliveries of milk, fluid milk sales, and Class I and blend prices for October 1949. This summary is based upon information submitted by market administrators in accordance with a memorandum from this office, subject, "Advance Statistics," dated October 29, 1946.

In accordance with Mr. Peddersen's memorandum of July 7, 1949, the receipts and sales data contained herein are for administrative use only.

H. L. Forest

1/ Computed from unrounded figures.

Computed by the Program Analysis and Commodity Programs Division,
Dairy Branch, P.M.A., from reports of the market administrators.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. This section also outlines the various methods used to collect and analyze data, ensuring that the information is reliable and up-to-date.

2. The second part of the document focuses on the implementation of these practices across different departments. It provides a detailed overview of the current state of affairs, highlighting areas where improvements are needed. The text also includes a list of specific actions that have been taken to address these issues, along with the expected outcomes of these efforts.

3. The third part of the document discusses the future plans for the organization. It outlines the long-term goals and objectives, as well as the strategies that will be used to achieve them. This section also includes a timeline of key milestones and a list of the resources that will be required to implement these plans.

4. The fourth part of the document provides a summary of the findings and conclusions of the study. It highlights the key points discussed in the previous sections and provides a final assessment of the overall situation. The text also includes a list of recommendations for further action and a final statement of the author's conclusions.

5. The fifth part of the document is a list of references and sources. It includes a list of all the books, articles, and other documents that were consulted during the research process. This section also includes a list of the names of the individuals and organizations that provided assistance and support during the study.

6. The sixth part of the document is a list of appendices. It includes a list of all the additional information that was included in the document, such as tables, figures, and charts. This section also includes a list of the names of the individuals and organizations that provided this information.

7. The seventh part of the document is a list of footnotes. It includes a list of all the additional information that was included in the document, such as tables, figures, and charts. This section also includes a list of the names of the individuals and organizations that provided this information.

8. The eighth part of the document is a list of references and sources. It includes a list of all the books, articles, and other documents that were consulted during the research process. This section also includes a list of the names of the individuals and organizations that provided assistance and support during the study.

9. The ninth part of the document is a list of appendices. It includes a list of all the additional information that was included in the document, such as tables, figures, and charts. This section also includes a list of the names of the individuals and organizations that provided this information.

10. The tenth part of the document is a list of footnotes. It includes a list of all the additional information that was included in the document, such as tables, figures, and charts. This section also includes a list of the names of the individuals and organizations that provided this information.
